WHINE, WHINE, WHINE!

(to the tune of the Yale "Whiffenpoof Song")

I cannot have all my wishes filled—
Whine, whine, whine!
I cannot have every frustration stilled—
Whine, whine, whine!
Life really owes me the things that I miss,
Fate has to grant me eternal bliss!
And if I must settle for less than this—
Whine, whine, whine!

PERFECT RATIONALITY

(to the tune of Luigi Denza's "Funiculi, Funiculà")

Some think the world must have a right direction—
And so do I, and so do I!
Some think that, with the slightest imperfection,
They can't get by—and so do I!
For I, I have to prove I'm superhuman,
And better far than people are!—
To show I have miraculous acumen—
And always rate among the Great!—
Perfect, perfect rationality
Is, of course, the only thing for me!
How can I ever think of being
If I must live fallibly?
Rationality must be a perfect thing for me!

I WISH I WERE NOT CRAZY

(to the tune of Dan Emmet's "Dixie Land")

Oh, I wish I were really put together—
Smooth and fine as patent leather!

Oh, how great to be mated
To this lovely state!

But I'm afraid that I was fated
To be rather aberrated—

Oh, how sad to be mad
As my mom and my dad!

Oh, I wish I were not crazy! Hooray, hooray!
I wish my mind were less inclined
To be the kind that's hazy!
I could, of course, decide to be less crazy;
But I, alas, am just too blasted lazy!

LOVE ME, LOVE ME, ONLY ME!

(to the tune of "Yankee Doodle")

Love me, love me, only me,

Or I'll die without you!

Make your love a guarantee,

So I can never doubt you!

Love me, love me totally,

And I shall get by, dear;

But if I must rely on me,

I'll hate you till I die, dear!

Love me, love me all the time,

Thoroughly and wholly;

Life turns into slush and slime,

'Less you love me solely.

Love me with great tenderness,

With no ifs and buts, dear;

For if you love me somewhat less

I'll hate your rotten guts dear!
